REV. RAY ANGER

Religious Science Service Will Be Held Here Sunday

A group of interested residents have invited Rev. Ray Anger of San Pedro to start a Religious Science Group in the Torrance area. The opening meeting will be held at the home of Mr. and Mrs. Warren Shipley, 1545 W. 216th st. Sunday evening, January 26 at 7:30. The subject for the evening will be "How to Use Religious Science."

Rev. Anger, who has served as minister of the San Pedro Church of Religious Science for the past three years, was formerly a Congregational clergyman, having held pastorates in San Diego and Los Angeles. He is the author of the recently published book, "How to Unshackle Your Power."

The teachings of Religious Science are based upon the discoveries of Science, Religion and Philosophy. The Religious Science Movement, which now has fifty-five affiliated churches, was started 40 years ago by Dr. Ernest Holmes of Los Angeles.

Seventh-Day Adventists Slate Discussion Clinic

Three hundred Sabbath school superintendents and teachers, along with the pastors of 75 Seventh-day Adventist churches in Southern California, will meet Saturday afternoon, January 25, for a special discussion clinic at the Glendale Seventh-day Adventist church.

All Seventh-day Adventist churches feature a regular weekly 9:30 a.m. Bible instruction hour which precedes the 11 a.m. Saturday worship service. Like Sunday schools, the various age groups of the church meet separately to study Bible lessons, listen to mission stories, and to plan missionary projects.

The January 25 meeting for Sabbath school leaders will be a workshop training session designed to perfect Sabbath school techniques for 1958.

Featured speakers will include R. R. Bietz, president of the 75-church Southern California Conference of Seventh-day Adventists, who will speak on "Evangelism the Core - Sabbath School the Heart."

W. J. Blacker, secretary-treasurer of the church's west coast organization, will discuss "World-View Responsibility." "More and Better Teachers" will be the theme of a presentation by R. E. Breitigam, Sabbath school leader for the west coast organization of the church.

Clarence C. Kott, coordinator for the event and the Sabbath school director for the Seventh-day Adventist churches in Southern California, indicates that afternoon discussions will also include such items as program scheduling, use of the "Improvement" time, and the public relations possibilities of the Sabbath school.

The sessions, which will commence at 3 p.m., will also feature bass soloist and pastor, Armen Johnson.

The discussion clinic will conclude with a motion picture entitled, "Is This the Way to Heaven?"

Accompanying Torrance Pastor Glenn L. Goffar will be local Sabbath School Superintendent Vivian Crow; Assistant Superintendent Bobby Ray; Secretary Barbara Koller; and Sabbath School Bible Instructor Marjorie Sipple.

Miss Marjanet Worrell, missionary to South India, will be the guest speaker at the Avalon Village Baptist church, 451 E. 223rd st., at the 11 a.m. service on January 26.

Miss Worrell sailed to South India in 1951 and was first stationed at Nellore where she studied the language and was later assigned to a girls school in Narasavupet.

Sixteen new members will be received into the church on Sunday, January 26, at the 11 hour. This will put the membership of the church substantially over the 1200 number.

Church Sets Two Services

Christ the King Lutheran church at 2706 W. 182nd st., in order to accommodate the many members and friends at worship, will begin two services this Sunday.

The first service will be held at 8:30 a.m. with music by the Junior Choir and Mrs. Matthew McCoy as organist. The second service will be held at 11 a.m. with music by the Senior Choir and Mrs. Clifford Bredman as organist.

There will be nursery care at both services. The Sunday School will meet at 9:45 a.m. with classes for three-year olds through adults.

Progress was the theme of the annual meeting of the members of the Southwest Christian church, 25512 Walnut st., Lomita. Minister Roland G. Bond, and the officers of the church gave reports on the three years of progress made.

The church started in a business building on Pacific Coast Highway last year. They bought the property at the present location and meetings were held in the house until they were able to construct a meeting place on the back of the lot. They held their 1958 Christmas services in the new building. Plans call for this building to be used as school rooms with additions for the church assembly to come later. The house on the property is now used as a parsonage.

Financial reports were given by the treasurer, Mrs. Bert Knoles. Rev. Bond gave a report on his activities during the year, and elder Bert Knoles gave the building progress. Elder Alford Sollars conducted the election of officers for the year of 1958. Those elected were Elders Bert Knoles and Alford Sollars; Deacons Cecil Maxon, Henry Hickok and B. Kenneth Gibson; Board of Directors, Gerald Hill, Bert Knoles, and Alford Sollars; Treasurer, Cecil Maxon; Clerk M. Sollars; Bible School secretary, E. Hickok; Publisher, B. Kenneth Gibson.

The meeting was preceded by a pot luck dinner.

Weiss is a retired principal of the Los Angeles School System who is working in his retirement in the field of Christian Evangelism. He was one of the instructors in personal work with "Billy" Graham in his New York Crusade and at present is helping to organize the Crusade in San Francisco. Although his message is especially adapted to laymen, all who attend will find it to be interesting and inspiring.

At the 11 a.m. service, Rev. Walter M. Stanton, pastor of Central Church, will launch the program for "National Youth Week" culminating with Youth participation at both services Sunday, February 2.

'Truth' Christian Science Lesson-Sermon Theme

The Lesson-Sermon in the Christian Science churches on Sunday will dwell on the nature of God as Truth, under the subject "Truth." The Golden Text is from the 25th Chapter of Isaiah (25:1) where the prophet praises the power of God as truth and says, "O Lord, thou art my God; I will exalt thee, I will praise thy name; for thou hast done wonderful things; thy

counsels of old are faithfulness and truth."

From another portion of the Bible Christ Jesus' words are given, as recorded by Luke, "Every one that exalteth himself shall be abased; and he that humbleth himself shall be exalted" (13:14).

Mary Baker Eddy declares in a correlative statement from "Science and Health with Key to the Scriptures," "Prayer cannot change the unalterable Truth; nor can prayer alone give us an understanding of Truth; but prayer, coupled with a fervent habitual desire to know and do the will of God, will bring us into all Truth" (p. 11).

Noted Lecturer Speaks On Spiritual Power

Religion of the present and the future must meet the challenge of the discoveries of modern science, Mary Wellington Gale of San Francisco told an audience here Tuesday, January 21.

"Atoms for peace," Mrs. Gale said, can bring freedom from want to the regenerative as. But only the regenerative as. healing can free humanity from the evil tendencies which would block true peace, she said.

The findings of the physicist "call for something more than faith in a personal God responsible for a world of matter," Mrs. Gale declared. According to Christian Science, she said, "we are assured that God never

made matter, therefore we need not fear it." The true nature of power is spiritual, she declared.

On extended tour as a member of The Christian Science Board of Lectureship, she spoke in the church edifice 218th and Manuel st., under the auspices of First Church of Christ, Scientist, Torrance. Her subject was "Christian Science: Religion for the Present and the Future." She was introduced by Frank Lupien, First Reader.

History proves that a people's concept of God determines its civilization, Mrs. Gale said. "That Deity is responsible for the elements of destruction, she held to be a misinterpretation of the Scriptures.

CHURCH HAS HIGH FIDELITY SOUND SYSTEM

The Narbonne Avenue Baptist church of Lomita has a new high fidelity speaking system in the church auditorium, which was used for the first time last Sunday.

More than half the proposed budget for 1958 was pledged by the church and Sunday school pupils on Sunday. Canvas teams from the church will call in the homes this week of those who could not attend on Sunday. Next Sunday is Victory Day, a day set to complete the pledges for the budget for 1958.

The local church will cooperate with the Southern Baptist Training Union clinic for the Los Angeles area, February 2-14.

The director for the Lomita church will be R. Mains Rawls of the Southern Baptist Sunday school board's training union department. Rawls has been a leader in the training union department for a number of years.

The pastor will attend the state evangelistic conference in Fresno January 27-31. He will speak on the use of radio and television in reaching people for Christ.
